Grenoble tournament

23.-24. January 2016

3rd edition of the Grenoble tournament, and 3rd participation for a Wahoo Zurich team. This year, the team was composed of Katherine, Janine, Bettina, Olivier, Robin, Krishna, Martin and Cyril. Everybody left Zurich on Friday evening and surprisingly, Krishna's car made it to Grenoble before Robin's! Apparently the 7-seater was so comfortable its occupants purposely decided to extend their route by making a detour via Basel.

After a long night sleep, a heavenly-good "all-you-can-eat" buffet breakfast and a usual Decathlon-supermarket stop, it was time for the tournament! First game started well with a 7-0 win against Pierrelatte-Grenoble, despite both Cyril and Olivier being sent to the sin bin. Next games were a 3-6 loss against Clermont, a 6-3 win against Grenoble2, a 3-3 tie against our friends from Annemasse/Geneva and finally a 0-8 loss against Grenoble1 who eventually ended up winning the tournament.

After a nice steak dinner and a short night, the second day started again with a game against Pierrelatte-Grenoble, lost 2-3 this time. Next was a 1-9 loss against Grenoble1 but we felt proud enough just to score a goal against the winners of the tournament. Followed a 8-3 win against the Moirans girls with a penalty shot conceded, a 1-6 loss against a reinforced Grenoble2 team, a clear 3-1 win this time to break the tie against Annemasse/Geneva, and finally a revenge win 3-2 against Clermont, with a penalty shot missed, fortunately without consequences.

In summary: 6 won, 4 lost, 1 tie, and an awesome spot on the third place of the podium. Overall it was a great tournament weekend with lots and long interesting games against reinforced teams, playing penalty shots for the first time, in a challenging deep cold pool but very warm atmosphere, and last but not least, accompanied with nice French food. Hard to beat such a menu!
