

28 UWH Tournament “Il Gianduiotto”

Tournament “Il Gianduiotto”, Turin
4th December 2016

For the second time a Zurich team participated in the Turin tournament and this year we proudly brought home a trophy for our 2nd place. We were 8 players - Daniel, Krishna, Martin, Olivier, Philipp, Robin, Silvania and Tulin - and played 7 games, with 1 loss and 7 victories. The scores were: 0 x 6 (Parma 1), 3 x 0 (Parma 2), 1 x 0 (Torino 1), 3 x 2 (Bologna), 5 x 2 (Germany), 8 x 0 (Rimini), 8 x 1 (Torino 2). Olivier was the captain and we played in great harmony. Our

trophy can be seen in the cabinet in the entrance hall of Hallenbad Oerlikon!

Out of the pool, we visited some historical sites and enjoyed the slow food culture in Turin, which stands for good, clean, fair and regional food. If you are interested in underwater sports and also in responsible gastronomy with sustainability, then join or come to watch the uwH games in Piemont next year ☺
